

## DON'T BE BILIOUS, HEADACHY, SICK OR CONSTIPATED

Enjoy life! Live your liver  
and bowels to-night and  
feel great.

Wake up with head clear,  
stomach sweet, breath  
right, cold gone.

WORK WHILE YOU SLEEP

Take one or two Cascarets to-night and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. Wake up feeling grand, your head will be clear, your tongue clean, breath sweet, stomach regulated and your liver and thirty feet of bowels active. Get a box at any drug store now and get straightened up by morning. Stop the headache, biliousness, bad colds and bad days. Feel fit and ready for work or play. Cascarets do not gripe, sicken or inconvenience you the next day like salts, pills or calomel. They're fine. Mothers should give a whole Cascaret anytime to cross, sick, bilious or feverish children because it will act thoroughly and cannot injure.—Advt.

## HOLLAND IS CRIPPLED WITH TOO MUCH GOLD

Can't Use It to Buy Goods Because Sweden Declines It With Thanks.

THE HAGUE, NETHERLANDS, Sep. 30 (Correspondence of the Associated Press).—The position of Holland is beginning to show an uncomfortable resemblance to that of Midas, at whose touch everything turned into gold. Instead of the urgently needed goods, more and more gold, not to mention \$200,000,000 worth of credit paper, has been sent to Holland by her belligerent neighbors.

This is far more than she can employ, with the result that the gold stocks of the Netherlands Bank have quadrupled since the outbreak of the war, amounting now to some \$250,000,000. But the Hollander finds his normally untroubled gold is declined with thanks in Sweden. Sweden insists that goods shall be paid for in goods. Holland thus feels the strange limitation which has been placed on the powers of gold.

## Eats Candy But Loses Her Fat

Here's joyful news for every fleshy person who loves good things to eat, especially those who are denying themselves the things they like most because of their desire to keep down their weight or to reduce the fat with which they are already burdened.

The famous Marmola Prescription has been put up in convenient tablet form and is now sold by druggists everywhere at only 75 cents per large case. To get rid of fat at the rate of two to four pounds a week, simply take one of these little tablets after each meal and at bedtime until you have reduced your weight to where you want it. No wrinkles or flabbiness will remain to show where the fat came off.

Simply use Marmola Prescription Tablets according to directions; they are harmless, free from poisonous or injurious drugs and can be used with perfect safety. Try them for just a few weeks and get results without going through long sieges of tireless exercise and starvation diet. Get them at any good drug store or send price direct to Marmola Company, 581 Woodward Ave., Detroit, Mich., and a full size package will be mailed to you direct in plain wrapper and postpaid.—Advt.

## CAUGHT IN PLOT TO PLANT BOMB ABOARD U. S. SHIP

Norwegian Arrested After Bribe Is Offered to Riveter in Brooklyn Shipyard.

Charles Walnum, a Norwegian, employed as a pantryman on Harry Payne Whitney's yacht Whiteaway, now in Robin's shipyard, Erie Basin, Brooklyn, for repairs, was arrested before a United States Commissioner in Brooklyn to-day charged with trying to bribe a workman in the Robin's plant to disable a United States ship. The complainant is James McLaughlin, a riveter employed in the Robin's plant in a crew engaged in making seaworthy one of the German liners seized by the United States Government.

McLaughlin was waiting for a car at the gate of Erie Basin last night when he was accosted by Walnum, who spoke about dock front fees. The riveter drove his inquiry on, and they were soon in a saloon at Willowbrook and Jay Streets. There Walnum asked whether it might be possible to "reach" inspectors of rivets and steel plates.

McLaughlin telephoned to Detective Carberry, of the Sixth Branch. Carberry soon arrived at the saloon, and says he saw Walnum put a \$20 bill in an envelope and hand it to the keeper of the saloon, with instructions to hold it for McLaughlin for further instructions.

Walnum, McLaughlin says, spoke of the most vulnerable spot at which to place a bomb in the hold of a ship, and also outlined a plan by which rivet bolts could be enlarged so that the straining of a ship in a storm would loosen plates in the hull.

## Girls! Try This on Your Hands! Make a Lemon Beauty Cream

Juice of lemons clears, softens and whitens the skin. Prepare a wonderful complexion lotion for a few cents!

"It seems that every girl and woman here is making lemon lotion," says a well-known druggist, and the reason is because at the cost of a small jar of ordinary cold cream they can prepare a full quarter pint of a creamy lemon skin softener and complexion beautifier by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon seeds get in, then this lotion will keep fresh for months. Every woman has known for years that lemon juice is used to

bleach and remove such blemishes as freckles, sallowness and tan, and is the ideal skin softener, smoothening and beautifier.

Try it, girls! Get three ounces of orchard white at any pharmacy or toilet counter and two lemons from the grocer and make up a quarter pint of this fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It should naturally help to whiten, soften, freshen and bring out the roses and beauty of any skin. It is marvelous to smoothen rough, red hands.—Advt.

## Maria Barrientos Sings Coloratura Gem

Voci di Primavera. (Voices of Spring.) Strauss.  
49171, 12-inch, \$3.00

How the heart of Strauss would swell with joy could he hear Maria Barrientos—the most sensational of all the Metropolitan coloratura sopranos—trill her bird-like way through his immortal Spring Song! More marvelous than the singing of a bird because it comes from a human throat, her voice surpasses the crystal purity of the flute. At the close is a wonderful climax—Barrientos and the flute in wonderful interplay.

## Stracciari in Brilliant Soldier Farewell Song

Faust. (Gounod.) Dio Possente. (Evan Bravest Heart).  
49214, 12-inch, \$1.50

Fifty years backward Stracciari turns the opera scores to find a song of warrior bold that gives his vigorous baritone voice full range and dramatic scope. The farewell song of the soldier Valentine as he goes to war seems as though it were expressly written for these present days. "Even bravest heart may swell in the moment of farewell"—Stracciari, leading baritone of the Chicago Opera, enriches these poignantly touching lines with grandeur and magnificence.
